MORRISON R. WAITE HIGH SCHOOL
TOLEDO, OHIO

FOREWORD...

We, the staff, take great pride in presenting to you the "Purple and Gold". We see this year's activities as a play in which all students have a part. Waite High School is the setting for our play which has had a continuous performance from September 4, 1946, to June 12, 1947.

Students! we give you the
1947 edition of the "Purple and Gold".

Curtain going up!

Act I *Classes*
Act II *Athletics*
Act III *Clubs*
Act IV *Faculty*

DEDICATION...

We, the staff, dedicate the 1947 "Purple and Gold" to Mr. William Brenner, who has been a teacher at Waite High School for the last ten years, and has the distinction of being one of her own graduates. His ability and character have truly made him deserving of this honor.

Mr. Brenner has thoroughly prepared himself to be a physics and chemistry teacher. He holds a Bachelor of Science degree from the University of Toledo and a Master of Science degree from the University of Kentucky. Also, he has taken post-graduate work at the Universities of Michigan and Columbia. Mr. Brenner is an associate member of Sigma Xi and a member of an honorary physics fraternity, Sigma Pi Sigma.

Mr. Brenner is always eager to serve and is very active in the school's events. He also finds time to be a well-liked advisor to the Forum.

Pupils of Waite will be forever indebted to you, Mr. Brenner, for your keen interest and patient understanding which you show when helping us with our difficult tasks.

IN MEMORIAM...

How can we adequately pay tribute to one who has been a vital part of our school for twenty-four years? Here, indeed, was a congenial co-operative man, a friend to all—faculty and students alike.

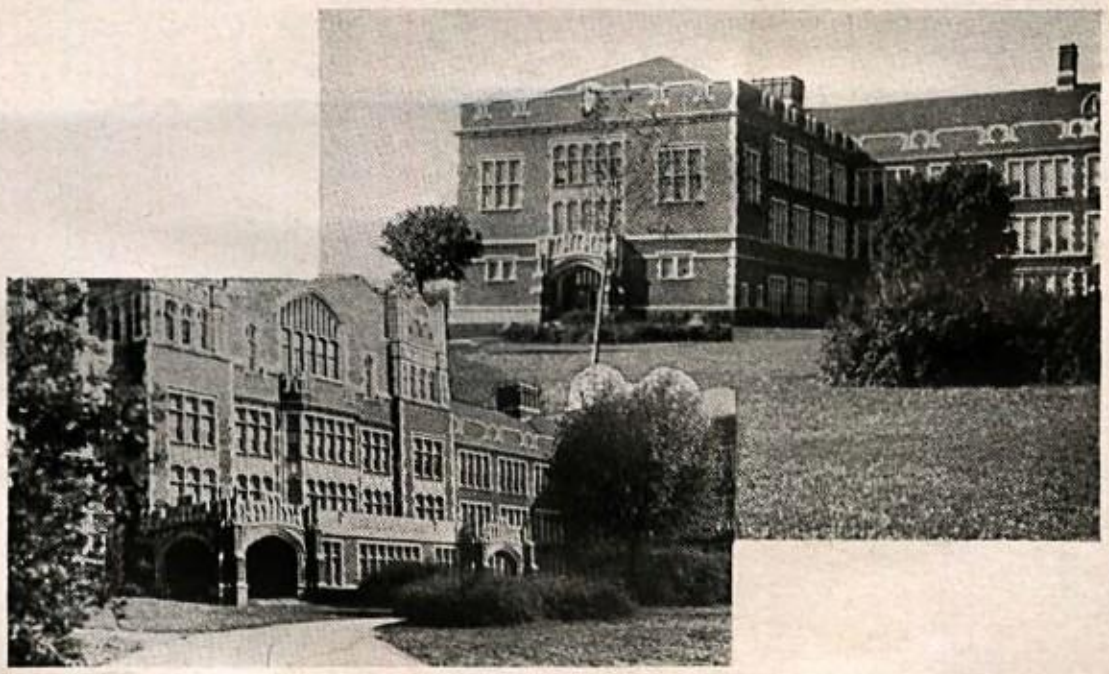
Earl W. Combs joined the faculty of Waite High School in 1924. He taught history, civics and economics, making his subject interesting with his sense of humor and his practical attitude toward the problems confronting his students. For nearly twenty years Mr. Combs served as business advisor for the "Purple and Gold", a position he fulfilled with integrity and good common sense.

Alfred, Lord Tennyson in his poem "Crossing The Bar" writes:

"And may there be no sadness of farewell,
When I embark."

We feel that this phrase expresses a philosophy Mr. Combs would like; therefore, although we shall miss him greatly, we shall not mourn long for him. Instead, we shall consider ourselves fortunate to have known such a splendid man, to have had him for a friend, to have had his interests our interests for such a long time.

The Playhouse



Our star circus performers who helped to make the Central and DeVilbiss football games more enjoyable at half-time.

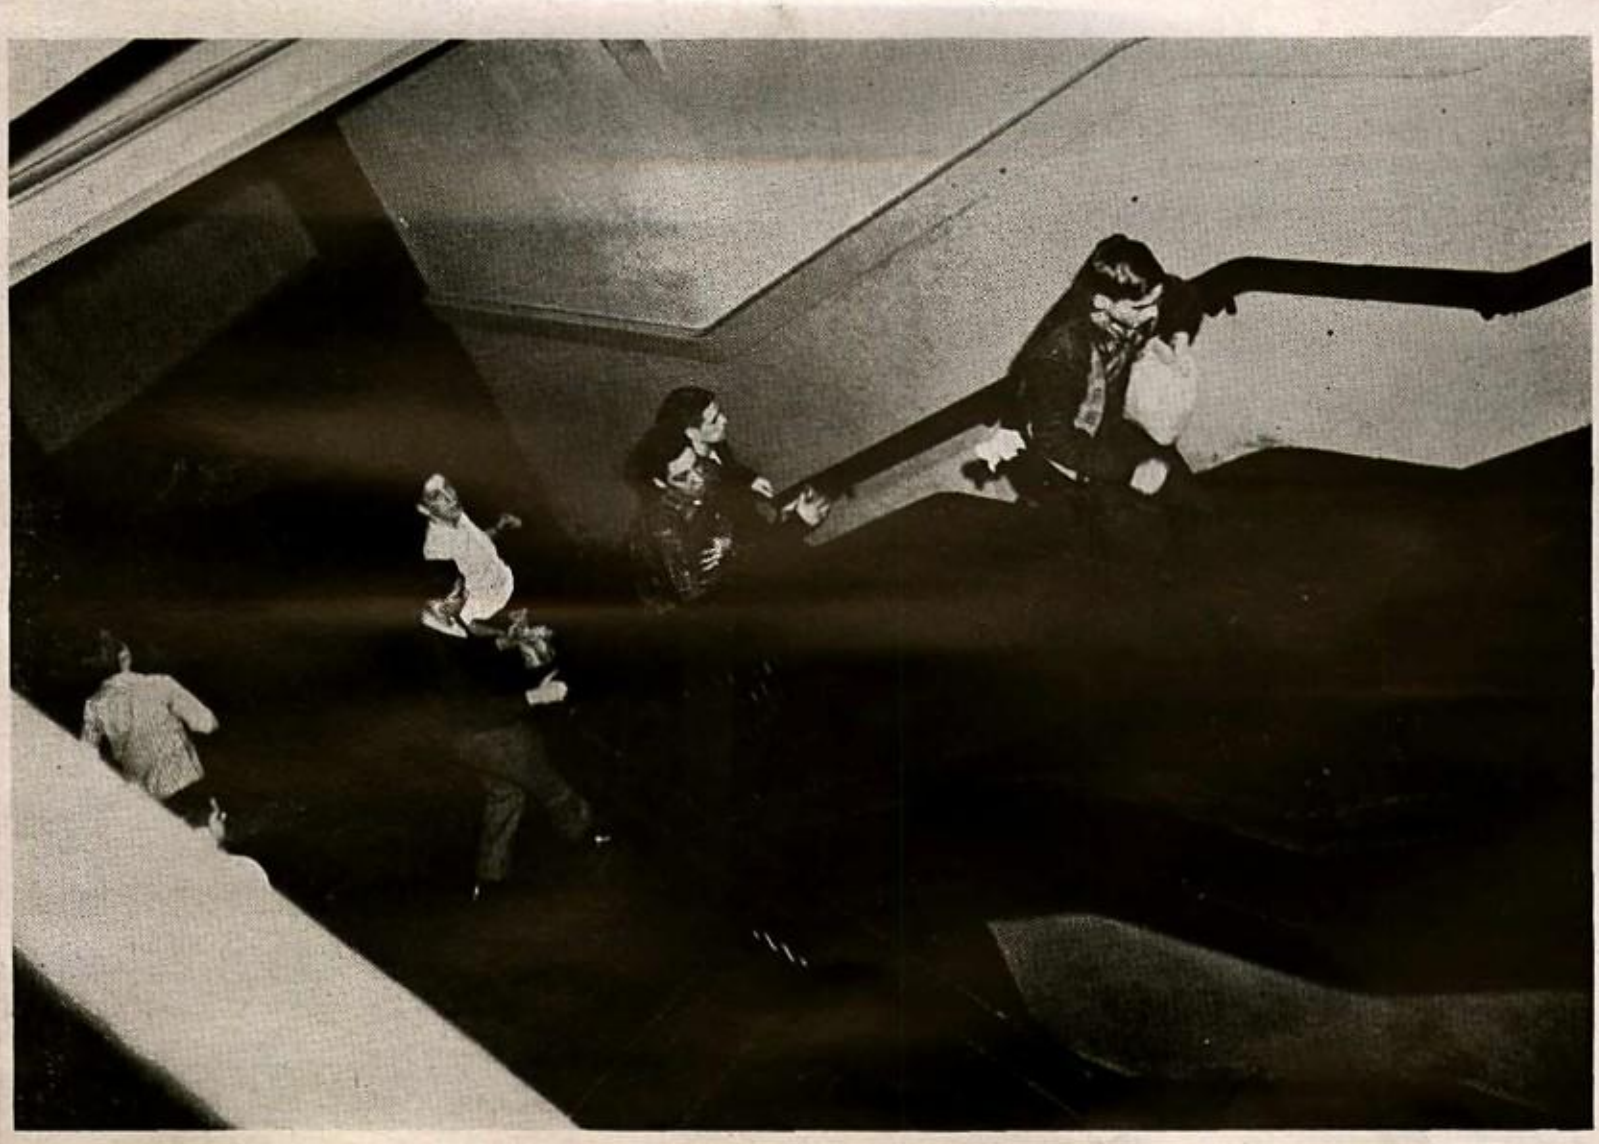
Do you remember where you were sitting?

Waite High School short-wave radio set

There is always something for our talented art students to do.

Showing off our football queen and her attendants at the Waite-Scott football game.

Here they come!



The magazine campaign winners—Margaret Allison, high girl salesman, and Don Kowalka, high boy salesman. Marilyn Blair won the portable radio in the drawing which is presented to her by Mr. Conser.

There they go.

Come on, kids! Yell!!

Senior Class

Make way for the class of "47"! Yes, at last the dreams of the green, eager Freshmen have come true. They're Seniors!

One of the most colorful events of the social season, the Senior Banquet and Prom, was held January 23. Baccalaureate is on June 8 and the commencement exercises are June 12.

The Seniors sold Christmas cards in November in order that they might purchase some useful item for the school.

The Senior Class wishes to thank Miss Marion Hart for her untiring efforts in their behalf. Thanks is also extended to Miss Isabella Houk for her kind assistance to the baccalaureate and commencement committees.

Junior Class

President	John Wagner
Vice-President	Helen Curtas
Secretary	Bonnie Wamer
Treasurer	Catherine Black

This year the Juniors were off to a speedy start choosing their committees and planning activities with the help and guidance of Miss Mildred Cowell.

In February, two one-act plays were given, "A Date With Barbara" and "Pearls". The anxiously-awaiting Juniors also received their class rings the last part of this month.

During the course of the year a skating party was sponsored by the class and the climax was reached when the J-Hop was given in June.

The responsibility of the commencement exercises of the Seniors was also planned and successfully carried out by these able Juniors.

HOLIDAY GRID

Waite plays in Massillon Friday night, in a game which could decide the state championship. The great reputation which Massillon teams have accumulated

Waite tried to get a game with Cathedral Latin last year, but the Cleveland school couldn't agree because of the regulations of the Cleveland Senate. The same conditions exist this year, so the only way that Waite can establish a claim to superiority over Cathedral Latin is to pile up a bigger score against Massillon than was able to achieve.

Cathedral Latin defeated Massillon by a score of 6-6. Comparative scores may not mean much, but if Waite defeats Massillon Friday night it may cause a tie for Ohio high school football honors.

Massillon is thinking of piling up a score against Waite.

Busy Week-End

teams have done a poor job of living up to their prestige as

season, and had been undefeated until it received a setback at the hands of Vilbiss knocked Massillon out of the running for the championship. Vilbiss won from Massillon by a 7 to 6 score. Massillon's only win for the season was a 7 to 6 game with Catholic of Detroit.

The last meeting between Massillon and Waite was a line on the relative merits of the schools of Michigan and Ohio. Massillon defeated Central by one game in the city league, while Waite defeated Central of Detroit in a game which was rated very close. Massillon defeated the Detroit team by a 7 to 6 score, while Waite defeated the Detroit lastic team by a 19 to 0 score.

On the basis of this comparison, the Massillon team was rated as the best team in the state. Waite's Woodward, Toledo, defeated Massillon by a 7 to 6 score. Canton Lehman defeated Massillon by a 7 to 6 score, and this was the only defeat suffered by Massillon. County football champion, Akron Garfield, defeated Massillon by a 7 to 6 score. Toledo high school teams play Massillon this week. These games

WAITE 56 ELKHART 0

The first opportunity for Waite fans to see the Indians came as Elkhart was smashed 56-0 in our stadium. Coach Mollenkopf used all three strings to good advantage as Elkhart failed to gain even against the third string. Kovesdi, Carson, Davis, Tambur, and Bumbera all made touchdowns.

WAITE 35 CENTRAL 7

Waite's smashing gridders swamped the Central Irish after the Irish scored the first touchdown in a short burst of power. Gregus, Carson, and Kovesdi all rambled over for touchdowns with Carson converting five times.

Row 1—Walter Peppers, Leon Naveaux, Guido Tambur, Elmer Scallish, Don Kowalka, Pete Vas, Steve Torda, Al Hepler, Joe Durst.

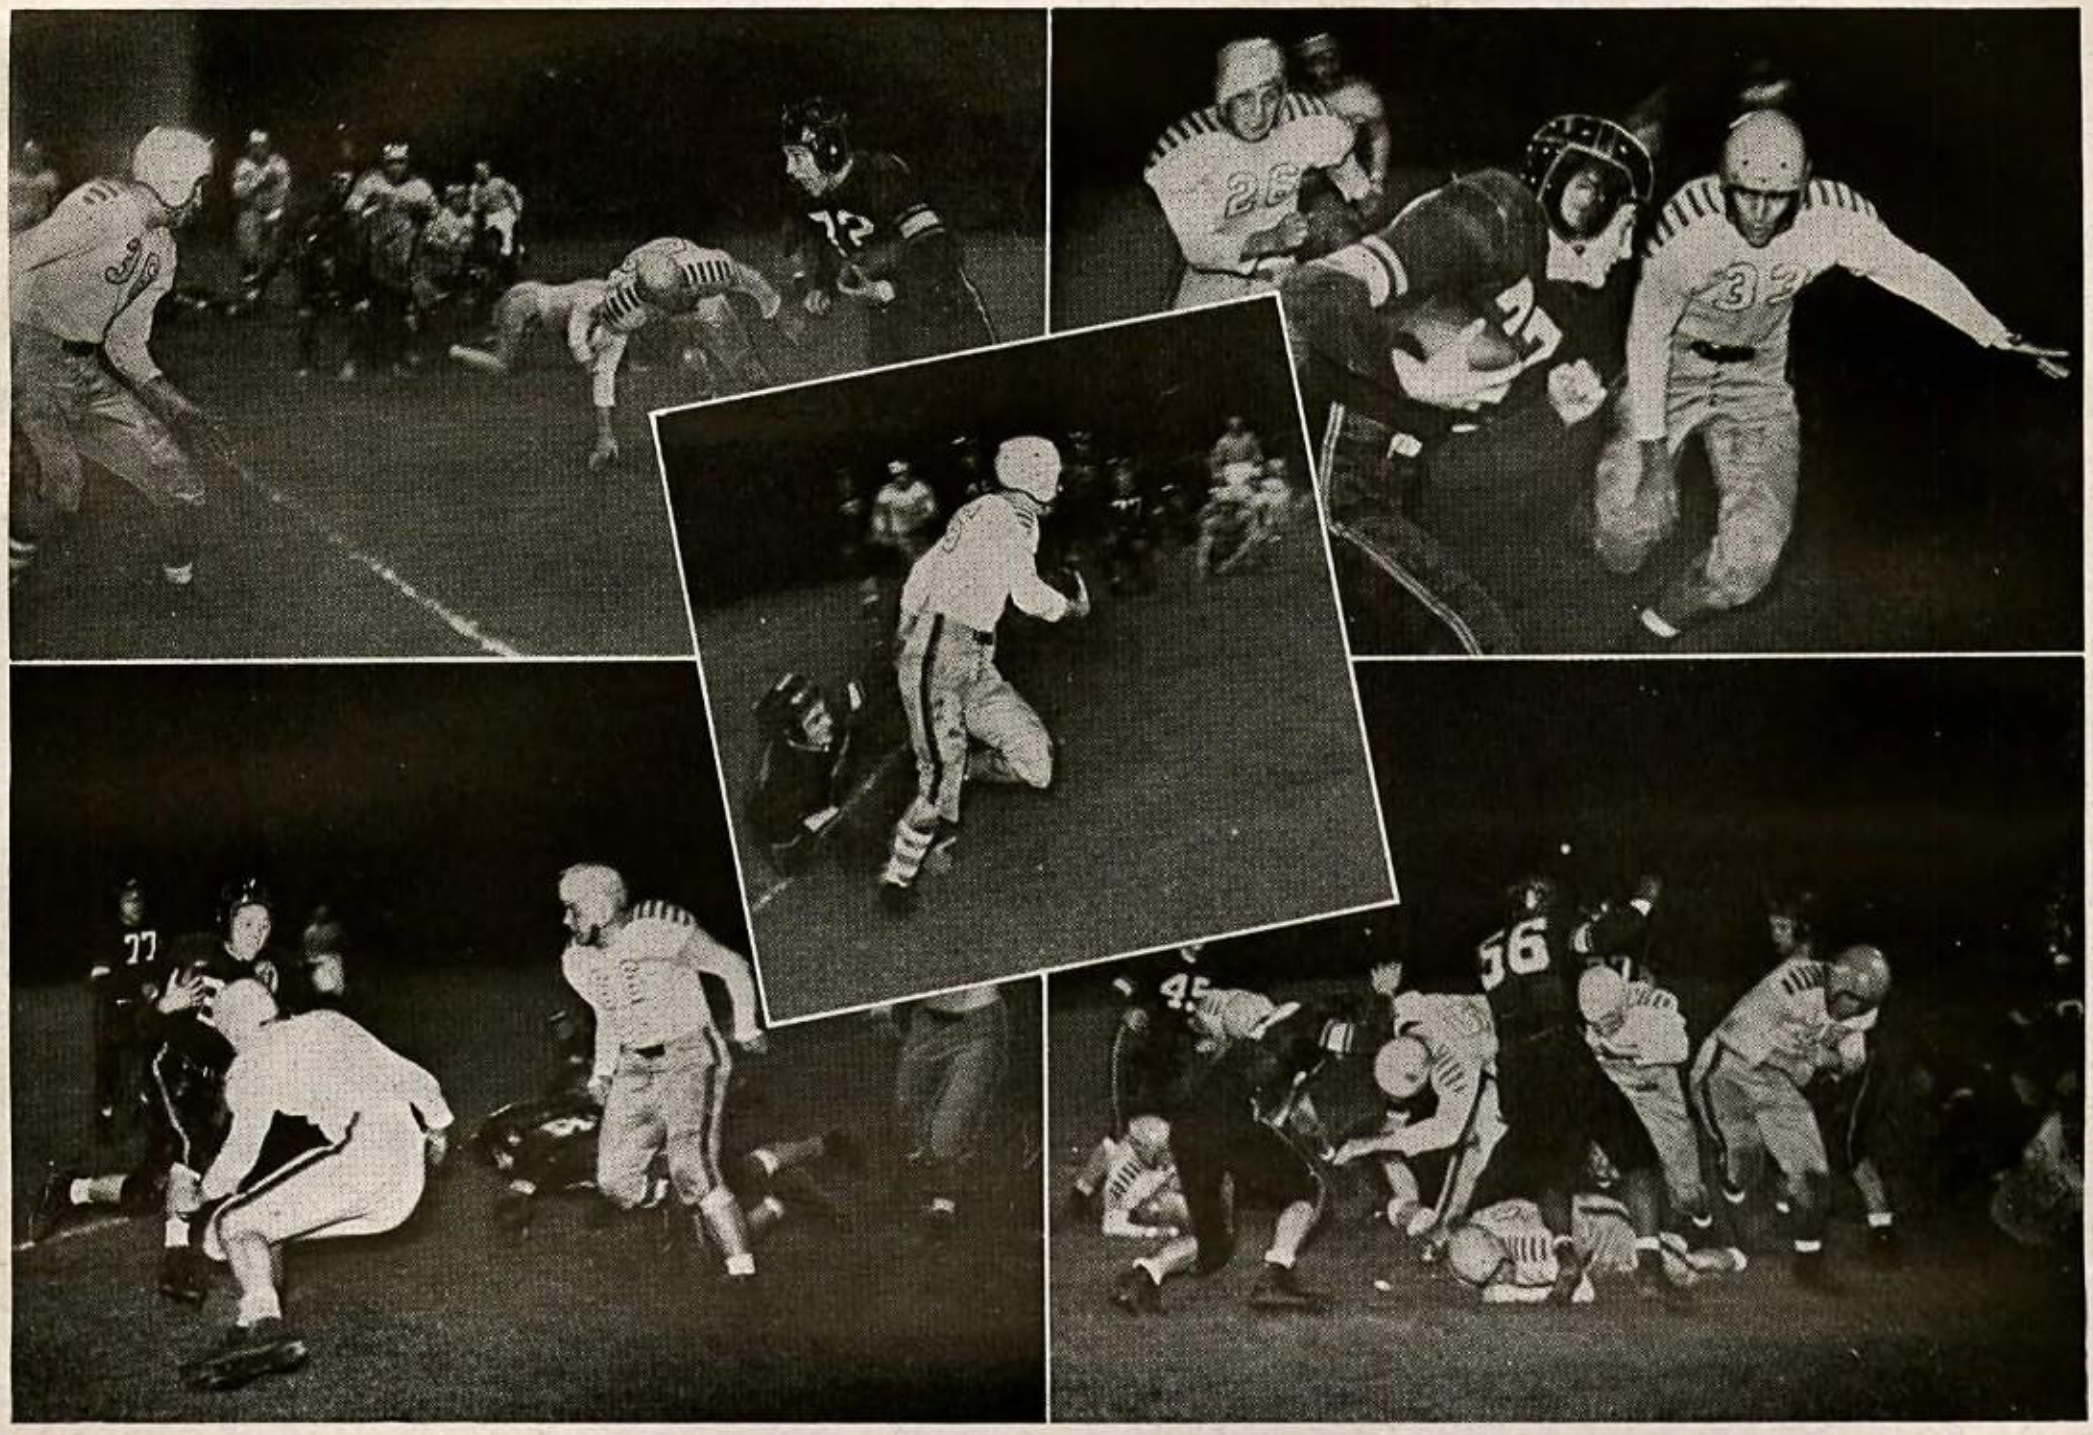
Row 4—Jim Martin, Jim Nauman, John Lee, Charles Papio, Bill Bumbera, Walter Hodges, Jack Mominay, Don Stevens, John Wagoner, Steve Katich.



Proof that the Waite Indians scalped the Massillon Tigers.

WAITE 33 — DE VILBISS 0

7,000 spectators saw the Waite juggernaut rack up a decisive 33-0 win over the Tigers. Gregus scored the first touchdown when the game was four plays old. Gregus and Kovesdi made successive touchdowns in easy fashion. Schaetzke recovered a bad pass from center and ran around left end to score one of the extra points. Wagner played a good game at center.

WAITE 42 — WOODWARD 0

Woodward was completely smothered by Waite's power-laden team as they came out on the small end of a 42-0 score. The Waite line tackled and rushed so effectively that the Bears were able to net only two yards on their running attack. Carson's 34 yard pass to Dedo was one of the outstanding plays.

WAITE 6 — LIBBEY 8

Waite out-downed the Cowboys 9-5, out-rushed them 74-29 yards, but the percentages didn't pay off. Waite lost a heart-breaking game. Libbey made two gallant goal line stands and on the last one a referee's error gave Waite only three downs, depriving the Indians of another chance for a touchdown with only two yards to go. Libbey was challenged to a replay but didn't show any interest in a return game.

WAITE 32 — STEUBENVILLE 13

The game was only three minutes old when Carson rambled around end for a touchdown after Gregus returned a Steubenville punt to the 29 yard line. A moment later Vas blocked a kick on the 16 where a pass from Carson to Dedo made another counter. Carson and Kovesdi each converted once after touchdowns by Gregus and Carson.

WAITE 32 — CENTRAL 0

Off-tackle smashes and straight football overwhelmed Central as the Indians scored in each quarter. Spinners, reverses, and end sweeps paid off each time with touchdowns by Martin, Gregus, Kovesdi, and Schaetzke. Carson converted twice and Schaetzke's line-smashing was notable.

WAITE 32 — MANSFIELD 7

Waite completely outplayed Mansfield as the Indians soundly trounced the Tygers. Carson, Gregus, Scallish, Hepler, and Young were outstanding both on defense and offense. Kowalka was especially effective in breaking through the Mansfield line to stop the Tyger ball carriers.

WAITE 40 MASSILLON 6

Before 19,000 spectators, including 3,000 from Toledo, Waite's Indians vaulted into first place in state standings by rolling up a 40-6 score against the mighty Tigers. Gregus, who smashed over four of the tallies, was outstanding along with Carson, Vas, Durst, and Young. Waite felt thoroughly avenged for the previous setbacks in the past years.

WAITE 60 DE VILBISS 6

Waite Indians trampled over the Tigers a second time as Gregus, Davis, Tambur, Carson, Kovesdi, and Schaetzke all scored. Linemen co-captains Scallish and Kowalka made their first points when they plunged for the point after touchdown.

WAITE 57 SCOTT 0

Thirty years ago Scott downed Waite by a score of 57-0. This year's Indians evened the score on Thanksgiving Day by the same count. Waite kicked off and had a touchdown five plays later. The Indians kicked off again and two minutes later had another counter. Several tricky plays were carried out. Especially thrilling was a play that called for a pass from Gregus to Young who lateraled to Carson who threw a twenty-five yard pass to Gregus that ended in a touchdown. Carson, Martin, Young, and Cook also made touchdowns.

This 1946 football team really gained honors. They were given state championship by the news services and sports writers even though they didn't have city championship. Bill Gregus was selected for every all-Ohio team and was named honorary captain on one. Elmer Scallish was also named on an all-Ohio team. Gregus, Kowalka, Scallish, Carson, and Tambur made all-city teams. Co-captain Kowalka was chosen by his teammates as the most valuable player.

With this squad, Coach Jack Mollenkopf ends a very successful twelve years of coaching at Waite. His has been a well-deserved success, earned by hard work, by an intense interest in the game and in the players, and by an enthusiasm to fight and win that was caught by all those working under him and with him. Good luck, Coach, in whatever you attempt in the future.

Mr. George Konnert is to be commended for coaching the Waite High Lightweights who carried the banner of Waite to glory as did their big brothers on the varsity. They won every game by considerable margins scoring a total of 153 points to their opponents 18. Undoubtedly this undefeated team will furnish next year's varsity with much good material.

The line featured such outstanding players as Dave Bueschen, Jim Craig, Bob Timm, Don Spear, Mel Wier, Bob Horst, Wayne Snyder, and Ronald Beede. The highly competent backs were Bill White, Bob Bee, Arnold Steadman, John Nicholas, and Larry Lincoln.

Freshman Football

Coach Steve Rohlfing once again produced a winning Freshman football team. At the beginning of the season, he thought he didn't have much promising material, but as the season advanced he realized that there were some potential varsity stars among the eager Freshmen. Glen Bauman, former Waite back, helped Coach Rohlfing with the newcomers.

Outstanding in the backfield were Tom Carnicom and Bob Owens. Jack Daly, center, Frank Huss and Charles Witte, ends, Jim Walton, tackle, and Bob Bumbera, guard, performed capably on the line. There is a wealth of material here, lots of spirit, and a determination to make good that will furnish a nucleus for future successes on the Waite High gridiron.

Only three games were on their schedule this year, but the Waite papooses won them all.

Varsity Basketball

The varsity basketball season was more successful this year than it has been for the last three years. Several games were lost by close scores indicating that Waite was never to be considered lightly. The first encounter with Scott was a real thriller, our varsity winning by one point in a double overtime. An invitational tournament at Springfield, Ohio, during Christmas vacation was an innovation in the schedule. Waite made a good showing by defeating a strong New Philadelphia team, but later lost to Dayton Stivers.

In the district tournament, the Waite varsity proved they really had ability by advancing to the finals. The quintet came from behind to defeat DeVilbiss and Central in the closing minues of thrilling games. They bowed to Woodward in the championship game after giving the Polar Bears a battle all the way. Walter Young was one of the outstanding players of the tournament and truly deserved the distinction of being chosen on the all-tournament team.

Coach Bill Fetters had several lettermen returning, captain Joe Durst, Jim Schaetzke, Walter Young, and Bill Selee. Young was high scorer for the season and performed creditably in every game at guard. Lanky Bill Selee and Joe Durst were especially adept at getting the ball off the backboard. Jim Schaetzke alternated between guard and forward, always playing with determination and never afraid to scrap. Al Hepler and Warren Wright substituted at guard and center. Bill Martin played a good game at guard, stealing the ball and breaking up opponents' plays. Dan Seemann also saw a lot of action and will return next year along with Bob Carson, Jim Naumann, Lyle Myrice, John Lee, George Nesteroff, and Gene McMorgan.

The lightweight basketball team ended the season with a creditable record of fourteen won and three lost. Of the three losses, one was by one point to Macomber and the others were not by more than an eight-point margin.

The varsity may look forward to the fellows who will move up seeking varsity berths. Among the outstanding players are Ray Spencer, Paul Spencer, Bob Horst, Bob Yenrick, Jay Peterson, Chuck O'Shea, and Harry Myrice.

Freshman Basketball

The Freshman basketballers completed their schedule with eleven wins and eight losses. The hoopsters won one and lost one to each school except Scott whom they beat twice and Libbey who beat us twice. The team reached the second round of the Port Clinton Invitational Tournament when they were beaten by Port Clinton. Elwood Fitterer was high scorer for the year. Coach Wayne Rudy was rewarded for his first year of coaching with a fine season.

Coach Bill Fetters' cross country continued to bring honor to Waite High School as they have in previous years. The first meet was lost to Central 27-29. Undaunted, the Indian harriers went on to win each successive meet and to place fourth in the district meet.

Bob Businger, Lee Cypher, Warren Wright, Dick Henderly, Willis Keesee were the most consistent performers with Tom Garvin and Bill Selee completing the first seven. Chuck O'Shea was the eighth man and was also awarded a letter.

Track

What the Waite track team lacked in experience they made up for in spirit. The tracksters of the 1946 season started out with a 74-44 win over Woodward; then, because of lack of strength in various events, many of the meets were lost. Waite scored fourteen points in the district meet at Bowling Green to finish in fifth place. Bob Petrie completed four years of fine running by winning the mile and the 880 in the district meet. Steve Szabo, Dan Seemann, Bob Businger, and Dick Henderly were the high point men of the team.

Coach Bill Fetters is looking forward to a more successful season this spring with several lettermen returning.

Baseball

The Waite High School baseball nine finished in third place in city league competition in the spring of 1946. They were beaten by Central and Macomber in the playoffs, after defeating Scott, DeVilbiss, Woodward, and Libbey in regular season play.

Lewis Cross and William Pitcher were the outstanding pitchers. The outfield was capably handled by Bill Gregus, Maurice Howland, and Charles Rutherford. Leon St. John at first base, George McLaughlin at third base, and Bob Carson as catcher were competent in the infield.

Coach Steve Rohlfing had his happy moments and his troubles during the season, but on the whole he was satisfied with the performance of his squad.

Bowling

Waite's two bowling teams finished a very successful season in third place, winning forty-one and losing thirteen games with an average of 759 in the American League. Waite placed first in the National League, winning forty-three and losing eleven with an average of 796. Richard Nagy of the Waite National team was the only member of either Waite team to make the Double Century Club, averaging 205 for the season.

With another year of good work behind them, the Y-Teens are looking forward to new friends and experiences. The above-mentioned name "Y-Teen" isn't a typographical error; it's the club's new name and a very nice one, too.

The Y.W.C.A. was the recipient of the Y-Teens' helping hand when the latter made and sold tags to raise money for the much-publicized new building. Then the girls, with the Hi-Y Club, focused their time on giving an Easter Lenten Service in March.

A hay-ride and roast at Pearson Park and a Mothers' and Daughters' tea gave the Y-Teens a breathing spell from their work.

Miss Louise Nelson and Miss Dorothy Gerding, worthy advisors, directed the group's activities.

The Junior Friendship, whose name has recently been changed to "Y-Teen", is a branch of the Y.W.C.A. Their ever-helpful advisors are Miss Virginia Hollinger and Miss Fay Marine.

The activities of the group included a skating party at the Coliseum, a roast on the Y Greens, the Mothers' Tea which was held in May, and a dance that was given with the Senior Friendship and the Hi-Y, on April 18. The Junior and Senior Friendship Clubs also sponsored a tag day to raise funds as a contribution to the building of the new Y.W.C.A. At the beginning of the year they sold purple and gold beanies.

At one of the meetings Miss Jones of the Y.W.C.A. taught the members folk songs and led them in group singing.

Senior Hi-Y

Create, maintain, and extend are the by-words of the Waite Hi-Y Club; in fact they are the adjectives of every Hi-Y in the world. One need only to look at the time and money Waite's club has given to the Y.W.C.A. fund to understand that it certainly has done its share to spread Y work.

Activities of the club this year were somewhat varied. They included a hayride, splash party, and a Christmas party. The fellows also held a dance in April with the Senior Friendship. Easter services were also given by these two clubs.

In sports this year, the Waite club came in first in the class B tournament, thereby gaining the Hi-Y trophy.

The success of the Hi-Y this year was due much to the two advisors Mr. Geyer and Mr. Leonard Hendrickson, the latter leading the group in many interesting discussions. Meetings are held every Monday night at the East Side Y.

Vets Club

Vice-President	Julius Vargo
Secretary	Joe Kovacs
Treasurer	Bert Gephart
Sergeant-at-arms	Steve Torda

One of the newest clubs at Waite this year is the Vets Club. As the name implies it is made up only of boys who have returned to Waite after serving with the armed forces. Under the expert counsel and guidance of Mr. Leonard Hendrickson (a veteran himself) this club has been a big factor in helping these boys get readjusted to school life.

The Veterans meet every Wednesday morning from 8:30 to 9:15 to talk over their personal problems and discuss the general problems that all veterans are having in getting adjusted in social and business life. The Vets sponsored a football mass meeting and did something by presenting the program in the stadium. They also sponsored a skating party at the Coliseum to raise funds for a contribution to a Waite High Memorial for former students killed in World War II.

National Honor Society

An impressive candlelight service is the beginning for a National Honor Society member who has the qualities Scholarship, Leadership, Character, and Service. The inductions this year were held November 11 with Reverend Olsen as guest speaker and April 17 with Dr. Zaugg as guest speaker.

At the bi-monthly meetings many interesting programs were given. Mr. Klag spoke at one of the meetings on the topic "Is Youth a Problem?" Reverend Dunham spoke about the "Land of the Christ Child" as he showed slides pertaining to his subject. Book reviews, a student quiz, and other outside speakers also added to the entertaining programs of the year.

To add money to the treasury, the members sold Reader's Digest subscriptions. Also the Teachers' Quiz in the auditorium January 9 added financial stability to the Club as well as enjoyment for the audience. Reverend C. E. Wintringham acted as quiz master for this program.

An award of merit is to be given to the praise-worthy advisors, Miss Mildred Burns and Miss Gertrude Moore, for their unfaltering support this year.

Under the patience and guidance of Miss Cecile Vashaw, the Waite Band has been most worthily declared the best in the state. The band this year was privileged to play at a professional football game in Detroit and also made an out of town trip to Massillon.

At every football game huge crowds were drawn merely to see the gala shows at the half which were sometimes highly colored with posters and signs made by the Art Club. Some of the outstanding performances were the circus presentation and the band's part of the East Side Industrial Night Show.

Perhaps the most memorable event was the Spring Concert which is put on by the band, orchestra, glee club, and choir every year.

The Band was also present to play for a few of the basketball games at the University Field House. Last, but not least, concerts were given at several of the grade schools.

Their outside activities included the customary roast at Side-cut Park.

String Ensemble

This year in Waite we are fortunate in having the beginning of a string orchestra. Miss Cecile Vashaw has done much to develop a string section with the hope that it will be a nucleus for balanced string ensembles in the years to come.

The group participated in a string clinic under the direction of Mr. Hans Lange, conductor of the Toledo Friends of Music, who had formerly been assistant director of the Chicago Symphony Orchestra. The clinic was held at the Toledo Museum of Art for all the string students of the public schools.

The calendar of activities included a tour of several grade schools and the traditional concert given by the orchestra, band, glee club, and choir on May 9. Selected music this year was string work by such famous composers as Bach, Mozart, Handel, and Schumann, as well as familiar modern melodies.

All in all, the string ensemble has done a very fine job for such a small group.

If you have ever wandered toward the auditorium during fifth hour and wondered where the music was coming from, you would find it was none other than the Waite Choir, which consists of fifty-four members under the able direction of Miss Cecile Vashaw, who has done a great deal with this fairly new organization.

This group has been very active this year. Along with the programs given at Waite, they made several public appearances: all the choirs of the city presented a concert at the Toledo Museum of Art; special Christmas and Lenten broadcasts were given from the stage of the auditorium; some programs were given at several Toledo churches. The choir also participated in the annual concert given by the Waite music department.

The choir has adopted an official pin to be worn only by members who have sung with the group at least one year.

This group of singers is one of the finest of its kind in Toledo.

The Glee Club consists of eighty girls who practice in the auditorium every sixth hour under the able direction of Miss Cecile Vashaw.

The most important event of the year was the spring concert given in collaboration with the other divisions of the music department. A special trio that sang in the Feather Waite Follies was Dolores Moran, Lola Kerekes, and Dynse Cole.

March 14 was the date of the "Gals' Gallop", a dance held in the gym with Bert Banks' Orchestra furnishing the music.

Beginning with the first meeting in September, the Philalethean Literary Society has been consistently busy in social, literary, and philanthropic work.

In October the Phils sponsored the second football mass meeting of the season. The members also enjoyed two spreads and initiations at the homes of Joyce Krueger and Doryce Hagaman.

When Book Week rolled around, the conscientious Phils presented seven books to the library, one for each day of the week. Other generous contributions went to the Red Cross and Community Chest.

The social activities, under the direction of Miss Marian Larkin, included the Tri-Lit Dance, a Mothers' tea, a skating party, and the Phil banquet in June, at which time senior gifts and scholarships were presented.

Miss Mary Roache and Mary Lilje ably directed the meetings and kept them informative and stimulating. Mrs. Tom Hall has directed the ways and means of earning money for the operation of the club.

"La seance est ouverte" says the president Merritt Schaeffer and the meeting has begun. To become a member of the French Club, it is necessary to have a B average in French.

This year, as always, the group held their annual skating party at the Coliseum, November 4. The picnic in the spring has also become a tradition. The members have been collecting stamps which help pay for the scholarship that is given every year to a well-deserving senior.

If you should drop into room 110 on the night of a meeting you would find the members playing games or giving plays in French. This helps to increase their knowledge of French.

One of the very interesting speakers this year was a boy from Switzerland who is studying at the University of Toledo. He gave a very interesting talk on his experiences when he first came to the United States.

Although the club is run entirely by students, much of their success is due to the enthusiasm of the advisor, Miss Isabella Houk.

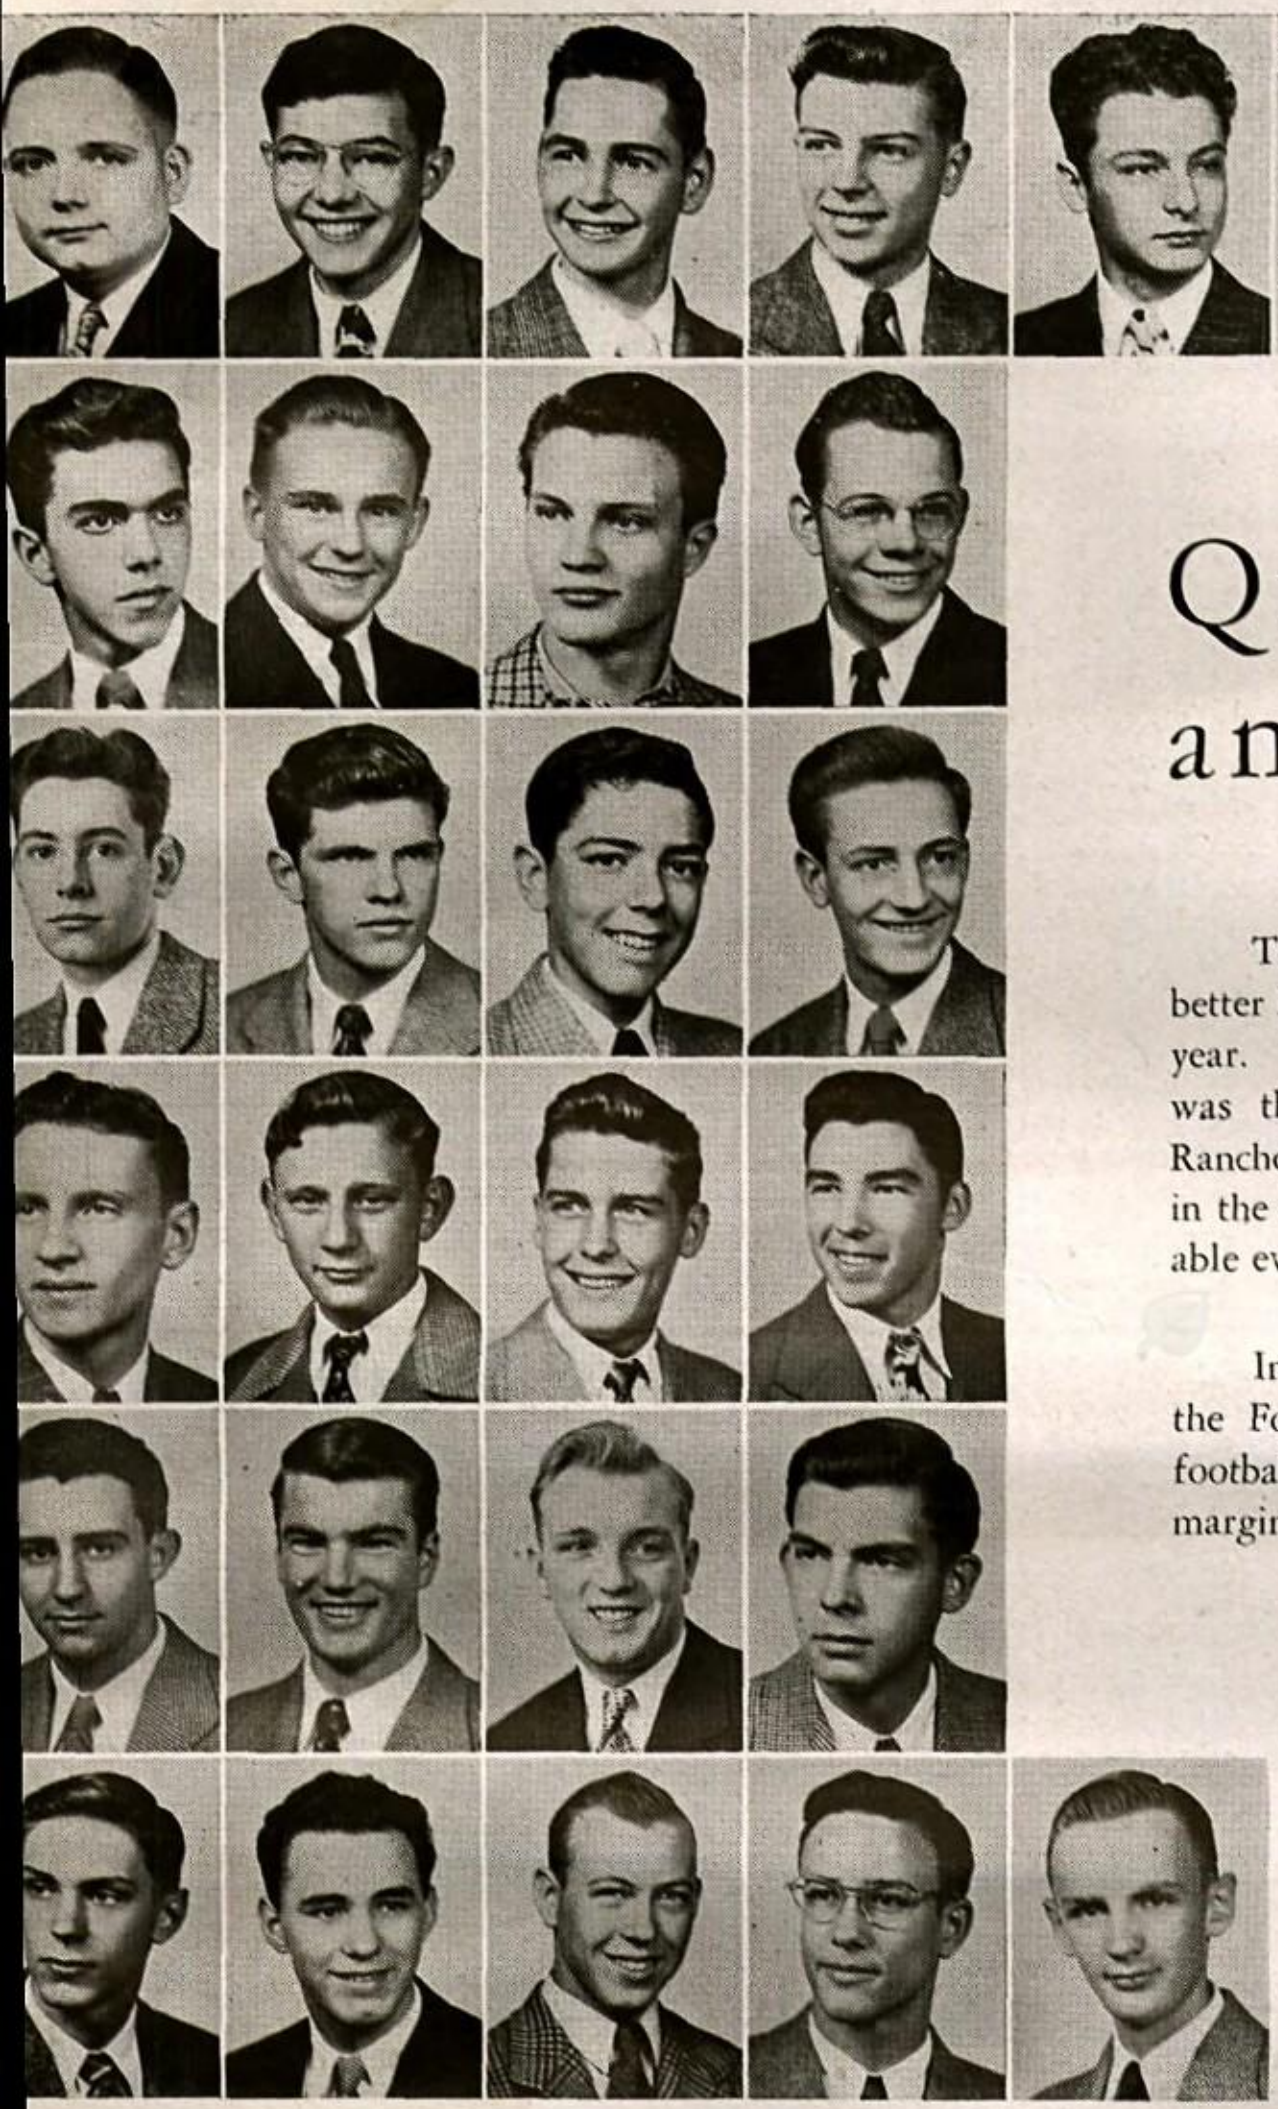
"Se declara abierta la sesion" (The meeting will come to order) is heard every other Friday afternoon in room 229 when the Spanish Club meets. Among the things which make the club interesting are the programs which vary each meeting and include the singing of Spanish songs, the telling of stories in Spanish, and conducting the meeting in Spanish.

Besides entertaining the Art Club, French Club, and the National Honor Society, their activities this year included the making of boxes of school materials, containing posters, crayons, and cards for the elementary Indian schools in the mountains of Guatemala, a white elephant sale to replenish the treasury and a picnic in June.

The social highlight of the year was the Fiesta, comprised of a dinner with Spanish favors, entertainment, and costumes.

Miss Edythe Bumgardner, club advisor, deserves much credit for her untiring efforts to give the Spanish Club the success it has attained.



Quill and Dagger

The Quill and Dagger Literary Society, better known as the Q.D., had a very successful year. The biggest event of the year, of course, was the Q.D.-Forum dance held at the El Rancho, March twenty-first. The hay-ride held in the fall at Pearson Park furnished an enjoyable evening for all members and their friends.

In the field of sports the Q.D.'s played the Forum in a rough and tumble game of football, which saw the Q.D.'s lose by a wide margin of 59-0.

The value of knowing a foreign language cannot be underestimated. Latin plays an important part not only in the field of medicine but in most vocations.

The Optimates have become a very active organization at Waite. Meetings are held the first and third Friday of each month, advised by Miss Fon Boerger and Mrs. Delia Fortune. Under their expert supervision, the members realize that Latin is not a dead language and that a knowledge of *Latin* is necessary in our everyday life.

To increase the treasury, and also for pleasure, a skating party was held at the Coliseum. To complete the year's activities, a roast was held at Side Cut Park.

The Optimates is open to all students who have completed three semesters of Latin and have maintained a B average or higher.

"Is India ready for democracy?" "Should the voting age be lowered to eighteen?" These are just two of the many questions upon which the Pro and Con members debate.

Juniors and seniors with a C average or higher in history are eligible to membership in this club. Sophomores can also join in the second semester. On the panel for a meeting are four debators, two pro and two con. Each one reads his views concerning the topic for debate, after which they ask each other questions. These heated discussions are held in room 120.

Among the activities carried out by the members this year were a hay-ride, a swimming party in March, and a student quiz program held in the auditorium, April 10.

The Pro and Con's meetings and the other activities are under the worthy supervision of Mrs. Ethel Kemp and Mr. Hobart Witte.

"Chronological Study of American Historical Fiction" was the theme for the Zetaletheans this year. It included the period from the Revolutionary War to the second World War. Some of the books reviewed were "So Red The Rose" by Stark Young and "So Well Remembered" by James Hilton.

Meetings were held every other Friday in room 112. At each meeting two senior members gave book reports and they were rewarded by the two lockets until the next meeing.

Boys' "W" Club

President.....Walter Young
Vice-President.....Alan Hepler
Secretary-Treasurer.....Don Kowalka

The wearing of the varsity W represents the ultimate goal of all boys participating in sports at Waite High School. This coveted letter is awarded to the active participants in football, basketball, track, cross country, baseball, swimming, bowling, and golf. The fellows who sport these W's on their sweaters have brought fame and fortune to our school through their intense interest in sports. Their efforts are well-rewarded with the pride they feel as they wear a varsity W.

Because their time is so taken up with sports, the members of the W Club do not have many social activities. They did sponsor an auditorium program on December 12 when pictures of the Massillon-Waite football game were shown. On March 17, the annual boxing matches were held in the gymnasium.

Coaches Jack Mollenkopf and Claire Dunn again served as advisors to the organization. The boys gave Mr. Mollenkopf a traveling bag as a farewell gift.

Girls' "W" Club

President.....Velma Reed
Secretary.....Mary Chaplin

Every Tuesday and Thursday the Girls W Club meets in the gym where they play soccer, speedball, hit-pin baseball, basketball, volleyball and soft ball, to earn enough credits for an honored "W" to wear on their sweaters.

Any girl may have the opportunity to belong if she is willing to work hard. First, she has to join the Athletic League; then she has to earn the required number of points to become a member of the "W" Club.

April is the date for the annual Co-Ed Prom held in the gym. Something new was added this year —a dancing contest. What is more refreshing than a spring outing? Pearson Park is the place and a day of fun is the guarantee.

Under the assistance and guidance of Mrs. Genevieve Pendleton and Miss Mary Linville, the girls have enjoyed a very successful year.

Forum Literary Society

Looking at the events of this past year, we first turn to the Forum-Q.D. football game, which saw the Forum trample over the Q.D.'s by a very decisive score of 59 to 0.

The month of March was an important one for the Forum in the way of social activities. During this month the Forum and the Q.D.'s held their annual dance at the El Rancho. The dance's huge success was due mostly to the wonderful co-operation on the part of the two clubs.

The Altobee Art Club is made up of sophomores, juniors, and seniors who have a C average or higher in art.

The future artists of America have done a great job of decorating the halls with posters and banners for various occasions. The small purple and gold felt "W"s which were seen around the halls during the football season were sold by the Art Club.

The year's activities included the initiation and spread held at Carolyn Matthews' home. On November 22, the successful "Dog Patch Stomp" was held in the Waite gym, with Bert Banks' orchestra furnishing the music. A trip was made to the Owens-Illinois Glass Company on March 11. At the annual spring banquet all the seniors gave farewell speeches.

The Altobee Art Club, which has grown to be one of the leading organizations at Waite, owes much of its success to the helpful guidance of the advisor Mrs. Dorothy Packer.

We wonder if this could be the motto of the Home Economics Club — "The way to a man's heart is through his stomach". If so, these girls should have no trouble, for they'll be splendid cooks and home-makers.

Programs for their meetings this year consisted of talks by some interesting people, including an enjoyable description by Miss Dorothy Gerding of her trip to Yellowstone National Park and an informative lecture by Miss Helen Parish whose subject was "The People of India".

During the Christmas season the club sent food to a needy family in Toledo and they also made a scrap book for the children in an orphanage. Initiation of the new members into the club was held at the home of Sharon McGuire.

Under the guidance of their advisors, Miss Naomi Rehfeldt and Miss Mary Buck, the girls learned much about all phases of home-making.

Periclean Literary Society

The Pericleans have endeavored to maintain a social, literary, and a scholastic program throughout the year. Book reports are given at the meetings by the senior girls. The Peris are identified by the gold lamp of knowledge pin.

Selling football programs, gift wrapping sets, and Christmas wrappings increased the treasury this year. The Peri dance May 16 in the gym was given to earn money for a scholarship for one of the senior girls.

The initiations, mass meeting, roast, and the Tri-Lit dance added to the success of the Peris. The initiations were held October 18 at Joanne Schiermyer's and March 13 at Margaret Young's home. This group was very proud to be awarded the prize for the best football mass meeting. The roast November 23 at Side Cut Park, the Tri-Lit dance April 11 at the Trilby Log Cabin, the mother's tea, and the banquet were the most important social events of the year.

This society has truly had a very successful year and due thanks is to be given to the advisors: Miss Maxine Cosgray, Miss Mildred Cowell, and Miss Norma Wintermantel for their sound assistance and valuable counsel.

The Sizzle, school paper of Waite High School, is published weekly under the supervision of the advisors, Mrs. Victoria Canfield and Miss Mildred Cowell. A two-paged mimeographed paper, it is a Student Council project containing columns of sports, news and editorial.

News tips are covered and stories are written by cub reporters enrolled in the journalism class. The publishing is managed by Patsy Harrison who directs a crew of five girls who sort, count, and staple.

Included in the year's activities were the Christmas party, roast, and banquet. Marilyn Schiermyer and Eileen DeBarr attended, as delegates, the Ohio High School Journalism Convention in Columbus in November. All the staff members attended the Northwestern Ohio District Journalism Convention held at Bowling Green, April 21.

Alchemists

President	Allen Sorah
Vice-President	Charles Horninger
Secretary	Mary Lou Dyer
Treasurer	Bill Schoof
Sergeant-at-arms	Louis Kopfmann

The Alchemists have been trying to make a place for themselves in Waite High School and this they have done splendidly within a year's time. Appreciation is to be accredited to Mr. Steve Rohlfing and Mr. Leonard Hendrickson for their supporting help and unceasing effort to make this club a success this year.

To be eligible for this organization the student must have either an "A" or a "B" in Chemistry. The bi-monthly meetings are held every other Monday. Following the usual business meeting an interesting program is presented. Mr. Shiple, at one of the meetings, spoke on the different types of grain and the value of each.

This spring, a skating party was held to increase the treasury of this organization. But this skate also brought fun and frolic to those who attended. A splash party was given and also a roast. The latter was for the graduating seniors.

With the adoption of a new Constitution the Alchemists hope to have a better club in the years to come. It may well be said that they have started very successfully.

Student Council

The purpose of the student Council is to promote co-operation between the students and the faculty in solving problems confronting the school.

The Freshman Dance, March 7, was a memorable social event for the freshmen. Many students were more conscious of their country after the patriotic program, February 24. Both of these events were sponsored by the Student Council. This organization is responsible for scheduling the club meetings and activities and it is also responsible for the presentation of the annual Thanksgiving football mass meeting. In fact it might well be said that the Student Council keeps Waite High trotting along at a steady pace.

Student Council

Did you notice whether or not the halls and the refectory were any cleaner this year? This organization launched a campaign to keep the halls cleaner and another campaign to keep the refectory cleaner.

A Toledo District Council was organized this year and it includes all the Toledo and outlying high schools. Waite Student Council belongs to this organization, which meets once every three weeks, at different schools to talk over problems with which all schools are confronted.

The club is truly grateful to Mrs. Victoria Canfield whose untiring effort and valuable help was always present.

Red Cross Club

President.....Joyce Krueger
Vice-President.....Natalie Dawson
Secretary.....Jeanne Farmer
Treasurer.....Ruth Covill

What club could be more beneficial and helpful to needy people everywhere than the Red Cross? During the past year, Miss Elenor Tobin and the members chosen from the homerooms have supervised the yearly enrollment of the Junior Red Cross, filled boxes for needy children, and have knitted foot-warmers and afghan squares.

This club has helped to raise the hopes of many children and veterans in hospitals by sending them the highly-entertaining scrap-books they have made containing humorous clippings. Many bright favors were also sent at Christmas and Easter time to all the children's wards in the Toledo hospitals.

The Red Cross is correctly termed a club of "good-will."

The Future Retailers of America

President	Evelyn Rooker
Vice-President	Ruth Lane
Secretary	Ida Molnar
Treasurer	Genevieve Snyder

There's nothing like a brand new club to liven things up a bit. The vitamin in this case is The Future Retailers of America. The club has seventeen members who are working to make themselves exactly what their name implies, future retailers.

This is a special class organized into a club. They meet at Waite for the first three hours every day, then each member goes to her job in the various stores. They are under close supervision at school and at work. The class is more or less an experiment, but has proved to be so successful this year that we are sure it will become a definite part of future curricula.

The Future Retailers' social activities consisted of a swimming party in October and a Christmas party in December.

Miss Matilda Adams and Mrs. Margaret Dwyer are the club's worthy advisors.

"The difficult we do immediately; the impossible takes a little longer," . . . Keeping this motto in mind, the Editorial Staff of the *Purple and Gold* strives for perfection in taking pictures, making lay-outs, selecting phrases befitting each senior, choosing and following up a theme, and writing about club activities. The Art Editor carries out the theme and ideas of the Editorial Staff by making the division pages.

Annual orders are taken by solicitors under the able supervision of Mr. Combs and his staff. The Business Managers and their assistants are kept busy handling the subscription money, securing advertisements, and keeping us within our budget.

Combining business with pleasure, the Annual class celebrated Christmas with a party on December 26 in the home of the editor. Included also on the roster of entertainment was the out-door picnic in June.

Without the supervision of Miss Maxine Cosgray, our literary advisor, we could not achieve our object for perfection. We wish to thank her for making our tasks easier by her congenialty.

Mr. Philip H. Conser is always busy with the many problems, both large and small, which confront him daily. In addition to this, he has a personal interest in all Waite's pupils. We all know that he is a true leader and a friend.

Deans

Miss Marguerite Griffith, dean of girls, and Mr. Fred Klag, dean of boys, spend most of their time giving advice and guidance to the students of Waite High School. Although their job is also one of discipline and checking attendance, they are the students' best friends in time of need.

ENGLISH DEPARTMENT

Miss Rees, head of the English department, has had a busy year keeping the work of her department running smoothly and taking care of ordering supplementary books. The radio and speech class and journalism are under the competent direction of Miss Cowell. Miss Gingrich, Miss Larkin, and Miss Cosgray teach Every Day Living classes as well as English. Miss Cosgray is also editorial advisor for the "Purple and Gold".

Rose Tertuliani, library assistant, checks out books for Bill Carter and Louise Flegle. Frances White and Bill Selee are at the card file looking up information.

SOCIAL SCIENCE DEPARTMENT

The rapidly changing world events have offered a challenge to our history teachers who have always attempted to keep up to date and keep their students well informed. Sociology is the specialty of Mrs. Osborne, department head, and economics is the special interest of Mr. Combs, who has also served as financial advisor for the "Purple and Gold".

LANGUAGE, ART, AND MUSIC

Spanish students received first hand information of our Spanish-speaking neighbors from Miss Bumgardner who spent last summer in Central America. Miss Boerger teaches Latin; Miss Houk teaches both French and algebra; and Mrs. Fortune has classes in Latin and algebra. Mrs. Packer's art classes keep our halls well-decorated and contribute the art work for the shows between halves of the football games. Miss Vashaw's success in the music department has gained state-wide recognition.

PHYSICAL EDUCATION, HOME NURSING, LIBRARY

The physical education department is capably handled by Mrs. Pendleton, Miss Linville, Mr. Rudy, and Mr. Dunn. Mr. Dunn is the backfield coach for the varsity football team and Mr. Rudy is trainer and equipment manager for all sports. Miss Hollinger, librarian, gladly answers questions and supplies informative material concerning all subjects. Miss Gerding has home nursing classes and is the school nurse.

Members of Mr. Thomson's radio class examine some new equipment.

Miss Rehfeldt's home economics girls are getting ready for a faculty luncheon.

INDUSTRIAL ARTS DEPARTMENT

Practical experience is gained by students in the industrial arts department, headed by Mr. Youngquist. Food and clothing classes are taught by Miss Rehfeldt, Miss Buck, and Mrs. Werner. This year Mr. Thomson's radio classes had the satisfaction of building and running an amateur radio station.

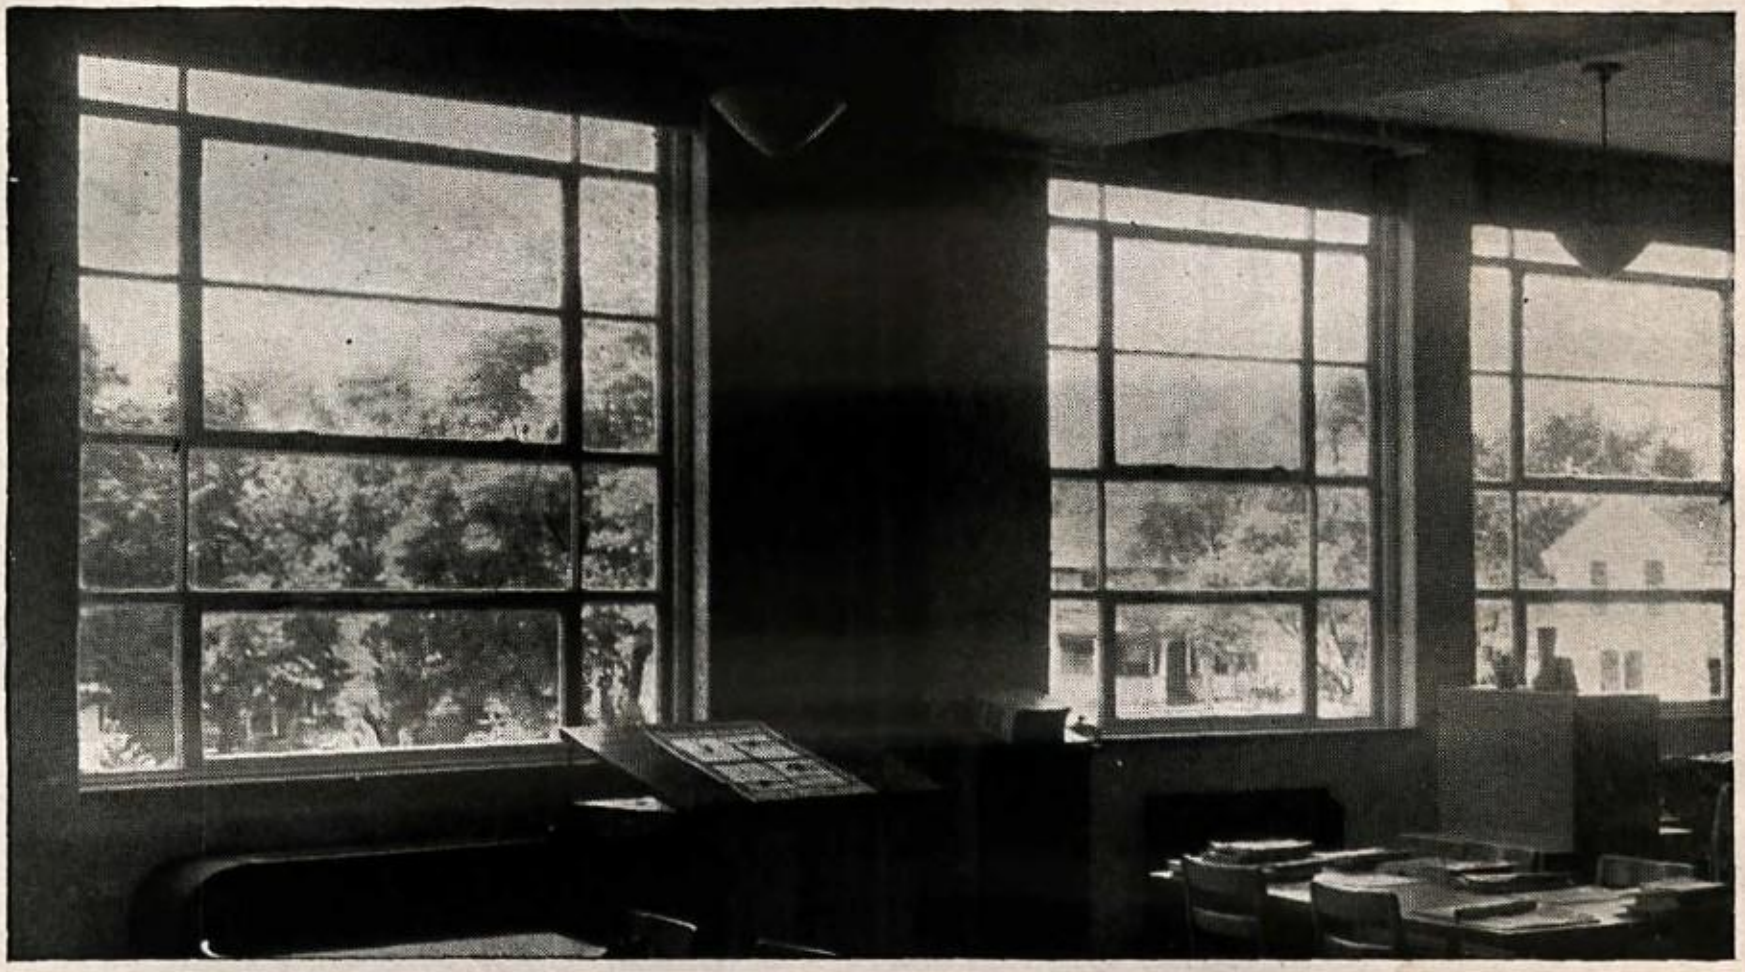
Modern Glass serves the Modern School

Large windows create a satisfying illusion of openness that tends to ease the restlessness of active youngsters. In other uses throughout the school building, glass is equally beneficial—in transparent, translucent, or opaque forms. It cleans readily, and needs no refinishing. For more information, write Libbey·Owens·Ford Glass Company, 22115 Nicholas Building, Toledo 3, Ohio.



DAYLIGHT ENGINEERING. A well-lighted library like this is an invitation to study. It affords plenty of natural reading light, an important consideration in avoiding eye strain.

Beginner's Luck

• The girl who starts in telephone work finds real beginner's luck.

She learns her job pleasantly with other beginners just like herself—possibly from her own school. She works in light, airy offices with the latest in equipment. She relaxes in beautiful lounges with friendly co-workers.

She takes home a good-sized weekly paycheck which she knows will increase steadily through scheduled raises. Her supervisors are congenial and understanding. They reached supervisory levels from beginning jobs just like hers. Promotions are made from within the ranks and today's greatly increased traffic has speeded up these promotions.

The telephone beginner strikes it lucky because she has chosen a company which earned its reputation for being "a good place to work".
